Ms. Charlene Riikonen  
President & CEO  
Cera Products, Inc.  
9017 Mendenhall Court  
Columbia, MD 21045

Dear Ms. Riikonen,

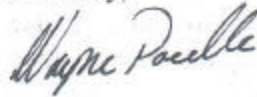

I wanted to take a moment to thank you personally for your donation of CeraVet rehydration formula in support of our animal rescue and sheltering efforts in Louisiana and Mississippi.

We truly appreciate your generosity and willingness to help during this unprecedented disaster for animals. The majority of the animals at our temporary facilities have been sent to shelters across the country to be fostered until they can be reunited with their owners, if at all possible.

The Humane Society of the United States is still very involved and committed to the animals and people affected by Hurricane Katrina. We, along with the ASPCA, have established the "Katrina Shelter Restoration Fund" to which we each have committed an initial \$2.5 million to assist the animal shelters that were devastated by hurricanes rebuild and recover. The HSUS also continues to fund local rescue operations. We are working to expand and fund a humane companion animal trapping program for the City of New Orleans. We are providing The HSUS onsite expertise and covering many of the expenses of the Louisiana SPCA. And we have been working round the clock to help displaced pet owners reunite with their pets.

Thank you again for your help. As a result of the efforts of companies like Cera Products, our work of rescuing the animal victims of Katrina was made a little easier.

Sincerely,

Wayne Pacelle  
President and CEO

*Thank you so much for this generous support!*

PS. A special acknowledgement of all the companies that supported our Katrina relief operations will be featured in the winter issue of *All Animals*, our magazine that goes to 600,000 HSUS members. We'll be sure to send you a copy in January.
